

Jasmine Sanders, MBA

Louisville, KY 40204 | 832.260.8625 | jsanders0704@gmail.com

PROFESSIONAL SUMMARY

Strategic and detail-oriented **Web Developer** candidate with a background in leadership, conflict management, and business administration. Since beginning my Web Developer Certificate, I have immersed myself in front-end architecture, driven by the belief that a website is a vital communication tool and a user experience, not just code. I specialize in writing clean, semantic HTML and CSS, leveraging modern frameworks to build responsive, accessible sites. I offer a blend of technical emerging skills and proven professional excellence in cross-departmental collaboration and project implementation.

TECHNICAL SKILLS

- **Front-End Development:** HTML5, CSS3, JavaScript (ES6+), Bootstrap 5.
 - **Design & Architecture:** Responsive Design, UI/UX Basics, Semantic HTML.
 - **Systems & Tools:** Student Information Systems (SIS), Inclusive Access Platforms, Microsoft Office Suite.
 - **Professional Strengths:** Conflict Mediation, Strategic Planning, Process Optimization, Bilingual (English/Spanish).
-

PROFESSIONAL EXPERIENCE

Campus Store Manager | Sullivan University | Sept 2024 – Present

- Align store services with institutional goals, viewing operational systems as foundational to student persistence.
- Translate departmental insights into campus-wide improvements through cross-departmental coordination.
- Manage budgets and resources with a focus on long-term institutional value and operational excellence.

Bookstore Coordinator | Sullivan University | Feb 2023 – Sept 2024

- Led the implementation of the Inclusive Access program, ensuring 100% day-one readiness for students through electronic and physical material distribution.
- Authored and executed standardized policies for textbook access, reducing technical friction and academic barriers.
- Served as a technical point of contact for faculty and staff to resolve hurdles impacting student performance.

Assistant Manager | QDOBA | Sept 2019 – April 2022

- Managed daily operations and lead a cross-functional team with an emphasis on empathy and clarity.
 - Served as primary mediator for personnel and customer disputes, utilizing specialized communication techniques.
-
